Subject: Fw: Iota Delta Chapter Eternal - Phil Price

Dear John David and Monty,

I thought that the notice of Phil's death had been sent to the closest ten Class years, which is what we did for Brother Jerry Ohrberg. The email distribution list below is much less, but I cannot find any other mailings.

Our current policy is to notify all Class years by email of alumni who have joined the Chapter Eternal, even though more recent graduates will not have known Phil. He was a great Brother whom I have always remembered from our campus days, such as when he and Jerry Curry joined in the Tri-Delt Rush!

My apologies for this oversight . . .
Fraternally,
Joe '63

Hi Joe,

Phil was a member of the "Fabulous Fifteen" the fall pledge class of 62. Phil always made a stop to see Alice and I on his yearly trips to Indiana to see his Mother. Alice and I visited he and Kay on several occasions while we were in California.

Phil came to one of the 60's Brothers gatherings at our home in Columbus during Little 500 weekend about 10 years ago and during the conversation I laughingly told Phil that if he ever wanted to get married again, to let me know and I would come to California and perform the wedding ceremony. Several years later (memory doesn't work as well as it did) I got two air

plane tickets in the mail and Alice and I were privileged to fly out to California and officiate at Kay and Phil's wedding. Brother Jerry Judjahn and his wife, Judy, drove from Arizona to California for the wedding.

Phil was an avid golfer but his game was slowed down by a bad back and several surgeries to repair it. He had been in the printing business for quite a few years and then sold his firm and worked as a consultant and salesman for the new owners. I don't remember if Phil had any children. I spoke with Kay and Phil's brother and they are planing a family gathering for sometime around the 4th of July, at which time they will have a memorial service for Phil and scatter his ashes on his homeplace.

Phil was the fourth brother to die of the Fabulous Fifteen:
Kent Scherschel
Dave Nelson
Chuck Sprague
Phil Price

Phil died from liver cancer on March 25.

If you email Brother Judjahn, he might have more information about Phil's life.

I'm still waiting to have lunch with you sometime.

Don,

I certainly remember Phil from our time on campus and visited his family in Indianapolis, but lost contact over the years with the story of his life. I am just returning to Indy from a funeral in my own family - my Aunt Catherine who passed away soon after celebrating her 94th birthday.

Are there any further details about Phil?

Fraternally, Joe

Joe,

I had a call from Jerry Curry informing me of the death of Phi Price. My guess is that you knew him -- he graduated in 1966. His home was in San Marcos CA, or at least according to my latest information. He died on March 25.

I thought you might have a need for this information. I can contact National, so that they can get it placed in the Chakett.
