AT 17th & JORDAN

One of the greatest years ever is now underway for Chi Phi at Indiana University. A strong group of officers spearheads the direction of Iota Delta during this tremendous period. The Alpha is Mike Haller, a senior from Fort Wayne. Other officers include Beta Kim Scherschel, senior from Bedford; Gamma Gary Myers, junior from Indianapolis; Delta Gary Goldblatt, senior from Wilmette, Illinois; Epsilon Mike Shanahan, senior from El Torro, California; Zeta Alan Goshert, senior from Indianapolis; Rush Chairman Steve Pappas, senior from Indianapolis and Social Chairman Dave Pfau, sophomore from Indianapolis.

Spirit runs very strong at 1400 North Jordan, and the year has begun with many activities and very good utilization of the house. There are 40 men living in at this time, and a number of additional acts who participate fully and pay social fees.

was a lawn dance on August 26. Performing for the occasion was a well-liked group known as "Shotgun." One of the Brothers made a trip to Kansas City to pick up refreshments from Golden, Colorado. Between the music, the Coors, the great summer weather and the congenial group, it turned into a great time for everyone.

Some of the events coming up in the very near future include an exchange with Sigma Kappa on September 21, and Parents' Weekend September 27-28. It's hoped that a good turnout will be on hand for this annual event. In the past, all the parents in attendance have really enjoyed themselves. Plans are also underway for Homecoming activities, and you'll be reading more about that elsewhere in the newsletter. The date is October 18.

75/76 has just begun at Chi Phi, and it will be a very good year. Be sure to stop by when you're in the area - there have been a number of changes and improvements, including some new furniture and panelling in the living room. You're always welcome at 1400.

PROJECT 20/BARBEQUE/HOMECOMING/IOWA

There's a good time in store for you on Saturday, October 18. That's the date for Homecoming '75. You'll want to be on hand for the Annual Meeting of the Alumni Association, to be held at the Chapter House at 11:00 AM, followed by a buffet lunch at 12:00 noon. If you desire tickets in the Chi Phi block, for the 1:30 game with Iowa, please mail a check for \$7.00 per ticket to David B. Estes, 1605 Maplecrest Drive, Bloomington 47401. Your request should be on the way to Dave by October 1.

After the Hoosiers take care of Iowa, there will be a cocktail party (cash bar) at the House, preceding an informal barbeque (no reservations needed). There will be a meeting of the Board of Directors after the cocktail party.

A resolution approved by the Board at a meeting on August 9 will be presented at the Annual Meeting. Known as Project 20, the resolution has as its aim a three-year effort to re-decorate the public areas of the House in time for Twentieth Anniversary. Yes, we are now in our 17th year of existence and really going strong. Iota Delta was chartered on November 17, 1958. We have only eight years remaining on our

NEW DUTIES AND ACTIVITIES

The Board of Directors, of late, has become much more active. Each Director now has a direct area of responsibility. The following is a brief rundown: John Craft, Project 20; Gayl Doster, Co-ordination with The Chi Phi Club of Indianapolis (Frank Kovacs is Chairman of the Club); Dave Estes, finances; Tom Gehring, scholarship; Joe Goeller, rush; Jim Hill, senior recognition and job co-ordination; Angie Kostas, legal advisor; Bill Montgomery, newsletter and Bob Szalay, Chapter Advisor. Jim Hill will be concerned with getting seniors actively integrated into the Alumni Association and matching jobs with seniors. Bill Montgomery will print resumes along with the newsletter, and also print news, as it is provided to him, of alumni who have summer work opportunities for undergraduate brothers. Any seniors who wish their resumes circulated to alumni may submit them to Bill for the January edition. The newsletter will be put out prior to Homecoming, in January and in May.

Directors will meet on a more regular basis, thrice yearly. Meetings will take place in early August, after the Homecoming game and in February. The February, 1976 meeting will be on the 15th, at 1:00 PM, at Joe Goeller's apartment.

mortgage with Northwestern Mutual Life, and the balance is down to \$84,000. Each payment is now heavily weighted toward reduction of principal. Bowers Plumbing has been completely paid, and all back debts have been eliminated. So, now is the time to launch this three-year project with goals of drapes, sofas, carpeting, driveway pavement, and so on. The resolution will call for three annual contributions of \$15. each, and all Brothers who participate will be recognized in a Project 20 Plaque at Twentieth Anniversary. In conjunction with the program, annual dues for the general fund would be \$10. We urge your attendance at the meeting, to help get things going!

Additional proposals to be presented at the meeting will have objectives of updating the Constitution and By-Laws. Following Project 20, Project 30 will be undertaken. Its direction will be the completion of a new wing by 30th Anniversary.
