'83 Chi Phi Little 5 team
one of the best; need alumni help

April 23!!! That's the date of the Little 500. As has been the case in the past few years, Chi Phi will be one of the top contenders for 1st place. According to Randy Ochs '83, this year's team is the strongest in his 4 years of riding for Chi Phi...& Randy should know...the upsurge of Chi Phi in the Lil' 5 began when Randy was a freshman rider in 1980.

...and talk about practice!! The team - our team - has been riding the hills surrounding Bloomington on a daily basis throughout the school year, even in Dec., Jan., & Feb. This has been possible due to the very mild winter in Hoosierland. Would you believe they have averaged 350 to 400 miles of road work each week, with 60 to 70 mile trips on Saturdays & Sundays being common.

Three of the 4 Chi Phi riders return from the 1982 team. First, there is Randy, who was Rookie of the Year in '80 and named an All Star rider in '81 & '82. Cory Campbell '84, a 2 year veteran, is another rider who received Rookie of the Year honors, in 1981. Last year John Garman '85 was outstanding for a freshman - and Randy reports John is much improved this year. The added bonus in '83 is that Dan McNutt '86 is riding with the confidence & ability of a seasoned veteran. Then when you add the endurance of a Bill McGuire '85, Chi Phi has another first place contender.

It is hoped that a large number of Chi Phi alumni & wives will attend the Little 500 to cheer our team on to the first place trophy.

But, alumni assistance is needed in another area, also. Your financial assistance is needed...and requested... to defray the cost of parts for practice bikes, a few tools needed for maintenance of the bikes, warm-up suits for the team, and funds to defray the cost of our team's spring training.

Scott Krueger '83, again this year, is doing a superb job as manager of the Chi Phi team; Mark Lushell '86 has worked long, long hours as bike mechanic. Further, the chapter has obtained the services of a former All Star rider, Pete Wolf (who now is a class 1 rider & a grad student), to act as trainer. Brother Ochs indicates the addition of a trainer is a definite boost to the training effort of the '83 team.

Thanks in advance for (1) attending the '83 race on April 23 and (2) for sending financial assistance. In both cases you'll be supporting a winner!!!

"No Bad News!":
Chi Phi Wins 2nd Place
Trophy in I.U. Sing

There's "No Bad News!" at the Chi Phi house as a result of their showing in the I.U. Sing last month. Our Chi Phi brothers, along with the dynamic, gorgeous gals of Pi Beta Phi Sorority, hauled away the 2½ foot high 2nd place trophy in their division. The division in which Chi Phi-Pi Beta Phi participated had 15 of the 28 acts which entered the "Sing".

The theme of the Chi Phi-Pi Beta Phi mini-musical was "No Bad News!", which depicted New Yorkers living it up during the stock market crash. The act was presented for a sold-out house, comprised of some 4,100 persons.

The Chi Phi show was on the first

night of the Fri.-Sat. night "Sing". Through the years it has been tradition that the Friday night presentations are rated lower than those on final night. However, it should be noted that the Chi Phi entry was rated 4th highest for its performance for both nights in all 3 divisions. In fact, the Chi Phi act was rated the highest for all divisions on Friday night - and no other Friday entry was close!

The Chi Phi song leaders of the "Sing" entry were JOE MORRIS '84, & DAN MONUTT '86. Each year a few \$300 scholarships are awarded to song leaders who have demonstrated outstanding leadership skills & have maintained a healthy grade point average. Joe Morris & one of the Pi Beta Phi song leaders were awarded these scholarships. In fact, TOM DUFFY '84, who was the song leader of Chi Phi's 1982 I.U. Sing entry, received one of these scholarships in '82. This year Tom worked on the I.U. Sing production staff & was ineligible to assist the Chi Phi effort.

A sizeable number of Chi Phi parents & alumni attended the Chi Phi performance, in addition to the celebrations at the chapter house. An interesting sidelight is that one of PHIL MOSBAUGH's '60 daughters currently is a Pi Beta Phi at I.U.

Chi Phi Scholarship

During the fall '82 semester at I.U., the Chi Phi chapter made another creditable showing in scholarship. The house average for the fall was 2.689. This was higher than I.U.'s all-mens average of 2.67. The Chi Phi house ranked 9th among the 33 fraternities & only 10 fraternities bettered the all-mens average.

SCOTT CURRY '83 recently received good news when he was accepted into the I.U. Medical School. Further, he has been named to Phi Beta Kappa for his academic achievements. Only 10% of the Phi Beta Kappas designated this year at I.U. are Greeks - and Scott is one of this minority.

SCOTT KRUEGER '83 has been accepted for graduate work by I.U.'s Speech &

Hearing Dept. ...and PHIL HOUK '83 already has been accepted by 2 law schools & he still has several outstanding applications.

Current Chi Phi Reputation on the I.U. Campus??

Do you ever wonder what the reputation of the Iota Delta chapter is on the I.U. campus? Perhaps the following will answer your question. After a very successful showing with the Pi Beta Phi Sorority in the I.U. Sing, the Pi Phis sent a huge 4'x4' greeting card to 1400 N. Jordan. The message inside the card read:

"What constitutes a 'good' house? It's not the rank, the name, the reputation, or even the quantity of members.

It's the well-roundedness in all activities, internal and external.

It's the effort extended and the rewards received for that effort.

It's the enthusiasm and constant strive forward.

It's not only these things that make a house 'good' though, and that's what separates Chi Phi from other fraternities.

You see, some men are only nice on the surface and some pretend to have 'class'.

But Chi Phi not only has athletes and leaders and scholars, but also sincerity and honesty within its members.

And no other fraternity has made a full-house impression on another house like Chi Phi has on us.

We can say we feel fortunate - and the way we measure fortune is in the friendships made, the memories we never will forget, and the opportunity to get to know the best guys on campus.

With love,
The Women of Pi Beta Phi"

The card was signed by all the members of Pi Beta Phi.

Following the I.U. Sing, the Chi Phis went to the Pi Phi house for an awards ceremony. At this gathering the Pi Phi housemother stated that the Chi Phi men were the best pairing the Pi

Phis have had for any event in the past 10 years. Then she gave her own presentation to the Chi Phis - a key to the Pi Phi front door, which was hooked onto a key ring. Needless to say, the undergraduates are very proud of this & have placed it in their trophy case.

Further, on the day following the I.U. Sing, the ladies of Delta Zeta approached the Chi Phis, stating that they had taken a chapter vote & they wanted to pair with Chi Phi for the '83 Little 500. The men of Chi Phi readily accepted the offer.

Therefore, in the '82-'83 school year, "our guys" have been paired with Kappa Kappa Gamma for Homecoming & the annual Chi Phi Muscular Dystrophy Pole-a-thon, with the Pi Phis for I.U. Sing, & with the Delta Zetas for Lil' 5. Not a bad year, huh? In fact, it has been a super year for the chapter - one which reflects the true quality & reputation of Chi Phi at I.U.

Future Chi Phi Brothers...

The '83 spring pledge class consists of 12 men - by far the largest spring class in the past 15 years, possibly longer. This class brings the on-campus Chi Phi membership to an excess of 75 men. Under the leadership of rush chairman, JON HITCHCOCK '85, the following men have been pledged:

MATT WOODBURN, a freshman from Terre Haute. While at T.H. South H.S., Matt was on the track, football, & swimming teams.

SCOTT CRIPE, a soph. from Carmel. He is an exceptional bass player - having performed with the pit orchestra for the past 2 years at I.U. Sing.

TIM SHANNON, a freshman from Ellettsville. While a student at Edge-wood H.S., he was active in tennis, b-ball, & baseball.

DAVE NABHAN, a freshman from Hobart, where he played on the H.S. b-ball team.

JIM WARNER, a soph. from Columbus East H.S. While in H.S., he was a member of the state championship football team, a member of the b-ball team which went to the state finals, & he also played baseball in his spare time.

KEVIN REIDY, a soccer player, is a

freshman from Libertyville, Illinois.
TOM BROUILLARD, a freshman who lives in Mooresville, attended Indy's Ritter H.S., where he was an excellent wrestler. He & Jeff Linn '85 were key men in Ritter's outstanding wrestling program.

From Connecticut comes JOE AMICUCCI, a soph. from Stamford Catholic H.S. Joe was an honor student, in addition to playing varsity golf & soccer.

A soph., KEITH WESTER hails from Portage, Mich., where he was an honor student, & at 6'4" he was outstanding in b-ball, football, & baseball. Reports are that at I.U. he also is outstanding at being a "ladies man".

MARK FOLEY, a freshman from Indy's Soecina Memorial H.S., also was involved in varsity sports, in addition to being an honor student.

MIKE KIREY, a freshman, was involved in varsity track, football, & swimming at New Albany H.S. He also has an excessive amount of the good ol' Chi Phi b.s.

JIM HILL, a freshman from Ft. Wayne, was an honor student at Bishop Luers H.S., while at the same time being active in varsity sports.

Don't forget to complete the enclosed form regarding the Silver Anniversary.

Remember, if you want tickets for the I.U. - Ohio State game, we must hear from you no later than May 2 !!!
