*Thirty Something....!*

It rained on the IU - Michigan State football game Saturday, November 12, but not on Iota Delta's 30th Anniversary celebration! Alumni, wives, and sweethearts began arriving at the Four Seasons Inn in Nashville Friday evening for a reunion party lasting until dawn, including a serenade of Chi Phi songs led by Tom Shriner '69, Bill Nuss '68, Joe Goeller '63, and Rich Tandy '68. Saturday followed with a leisurely luncheon at the Chapter house and stadium tailgate party as the IU game did not begin until 3:30 in the afternoon.

The Old House and the New House were reunited for the Saturday evening banquet festivities at the Four Seasons. Charter members attending were Dr. Dick Altenhof '60, Mike Carter '62, Don Deganutti '60, Gayl Doster '60, Dave Engel '60, Jerry Hubner '59, Bill Mahl '62, Mel Rahe '60, and Chico Tinkle '60. The Fraternity was honored with the presence of Chancellor Herman B. Wells and Dr. Robert H. Schaffer, former Dean of Students. Dr. Wells, the grantor of Iota Delta's initial Charter, commented, "You've proven in these 30 years the wisdom of your chartering in the beginning!" After the invocation given by National Ritualistic Officer Frank Kovacs I '73, ID '83, Master of Ceremonies Rich Tandy introduced Alpha Mark Rappel '89 who reviewed the progress of the Chapter, noting that "the brotherhood of Chi Phi actives with those who have graduated is among the best anywhere!" John Craft '61 then awarded 25 Year pins to the following men: 1960 - Dr. Dick Altenhof, Mel Rahe; 1962 - Mike Carter, Tom Cook; 1963 - Joe Goeller, Gordon Gouveia, Dick Gribble; 1964 - Arnie Applegate, Dave Fosnough, Gene Johnson, Angie Kostas, Bill Montgomery, Dr. Ray Snapp, Tom Wilmore; and 1965 - Ed McClure. John observed that the 1965 through 1969 classes should begin their plans to be on hand for the 35th Anniversary.

Retiring Alumni President Doug Givan '82 recognized Dr. Perry Lopez and Randy McNutt with Distinguished Service Citations, while John Craft received a blazer emblazoned with the Chi Phi crest for his many services to the Fraternity. Among the over 400 people in attendance were some of the Brothers who helped

to resurrect Iota Delta after the Great Fire of 1971: Dan Bowden '76, Brad Coppedge '75, Scott Davis '70, Ed Ferguson '74, Jim Grieves '72, Don Johnston '71, Jeremy Jones '71, Ed leary '79, Milt McConnell '76, Greg Murray '71, Steve Pappas '76, Chris Pappas '79, Marty Pieratt '79, Luis Samudio '76, Dr. Kim Scherschel '76, Craig Thomas '72, Bob Walker '70, and Tom Walls '72.

John Craft summarized the warmth of spirit, to immense applause, which animated the 30th Anniversary gathering. He stated, "The success of any organization is not in its leadership, but in the enthusiasm of individual members. I think the great group of guys we have had through the years will be a continuing source of strength to our Chapter. Thank you and we'll see you in five years, if not sooner." The evening and early Sunday morning celebration concluded to the strains of "Barbara Ann" by the Beach Boys. Iota Delta is hardly ready yet for "After the Ball is Over"!

## Growing Pains

We have not requested your \$25.00 annual dues for some time now, so you are probably out of the habit of reaching for your checkbook. Nevertheless, there are a lot of positive projects we would like to accomplish for Alumni and Actives, including publishing the Iota Delta newsletter on a regular basis again.

So, think back to those days when you were at I.U. and take a minute to support Iota Delta financially. The Chapter now has 75 men on campus, with 48 living in and a 12 man pledge class. They have improved several areas in the house, such as building a functional, attractive library. As can be expected, some of the living room furniture has to be replaced, the dining room needs extensive redecorating, and the parking lot remains unpaved. Beyond the physical aspects, the Iota Delta spirit is as strong as ever. The current band of Brothers deserves your support.

We want to thank you, in advance, for getting out your checkbook. The Iota Delta "Honor Roll" will be re-established in the new Frangipana III. Your check, payable to the Indiana Chi Phi Alumni Association, Inc. should be sent - along with news and Rush recommendations - to Randy McNutt, 21 Sleepy Hollow Lane, Carmel, IN 46032.

## Breaking Away

by Mark Spanier, '89

Christmas and New Year's will soon arrive to keep your festive spirits alive, but after that . . . . it's really WINTER! Therefore, when January hits, dream ahead to a warm, sunny Spring day and the Chi Phi 500, also known as the Little 500. The Race will be held on Saturday, April 22, 1989, a date you will be hearing more about early next year.

Iota Delta and the Bike Team wish to invite our Alumni to spend that weekend of April 22-23 in Bloomington, cheering on Chi Phi once again. As you may know, Chi Phi has been a dominant cycling team on campus throughout the 1980's. The 1988 team qualified 11th and we had high hopes for another Top Ten finish. However, two wrecks knocked us out for the first time in a decade.

Returning from the 1988 team are Coach William Campbell '83, Mark Spanier '89, Eric Miller '90, plus alternates Tom Tobin '90 and Curt Dean '89. All four are competing with newcomers Robby Richards '90 and William Siegler '91 for a place on this year's team. We hope you will join us on Race Day and help us in our quest for victory!
