

Chi Phi Chapter, Chartered Here Nov. 15,

With unconcealed pride, Charlie Ray shows Sue Tanksley the charter that the Iota Delta Chapter of Chi Phi got Nov. 15, making it I. U.'s newest fraternity chapter.

After being on campus one year, the I. U. unit of Chi Phi Fraternity received its charter Nov. 15.

National officers, alumni, and friends attended the installation and banquet that followed in the Van Orman-Graham Hotel. The next day a tea for University officials concluded the installation festivities.

Although the Chi Phis are the newest fraternity chapter on campus, they have placed high in several contests. Last Spring they placed eighth in the Little 500 Bicycle Race and second in the production division of the I. U. Sing. This Fall the Chi Phis finished first in the intramural cross-country competition and won first place in the fraternity division of the Homecoming decorations contest. Their Homecoming display had an Arabic theme with the slogan "It's in the Bag-Dad."

The former Kappa Delta Rho Fraternity house on Third street is the present home of the chapter members.
