

Chi Phis Honored for Scholastic Improvement

Interfraternity Council presented the Scholastic Improvement Trophy to the men of Chi Phi, and in addition, the national fraternity gave recognition to the chapter for showing the greatest scholastic percentage increase of all its chapters for the fall semester. The I. U. chapter was founded only three years ago.

Within the last year the Chi Phis achieved two other firsts. In the spring of 1960 they were the victorious housing unit in the Campus Quiz Bowl. This year their team advanced to the semi-finals. A display with an I. U. bull roasting a Spartan player over a pit won the first place award in the Homecoming organized housing decorations category.

Pleased Chi Phis examine the first place trophy their display won in the Homecoming decorations competition.
