

**Iota Delta's 25th Anniversary celebration on November 5, 1983
at Ramada Inn, Nashville, Indiana**

"Gloriana, Frangipana, Hail to old IU!" from
Alma Mater.

Our 25th Reunion was celebrated on November
5, 1983 at Ramada Inn, Nashville, Indiana, with
Tom Shriner, ID '69 as MC. John read the
following letter on White House stationery to IU
dignitaries, brothers, pledges, and parents:

"Dear John,

I am delighted to join you in celebrating the 25th
Anniversary of the Iota Delta Chapter of Chi Phi
Fraternity.

As alumni from across the nation gather for this
notable event, I know that Indiana University will
share your pride in marking service to others.

Not only does Chi Phi promote fellowship among
its members, but plays an important part on
campus and supports general charitable needs of
the surrounding area.

May this occasion prove to be a memorable and
rewarding event for everyone.

Again, my congratulations on reaching this
significant milestone in the history of your
organization. Good luck to all of you!

Sincerely,

Ronald Reagan,
President of the United States"
